CAREER TIPS

Career Options after Graduation

1. Digital Marketing

This career field can be equally appealing to business-minded, techies, and creative individuals. After completion of the PGD course in Digital marketing, a person can expect to earn an average package of 3 to 6 lakhs per annum.

2. Post Graduate Diploma in Management

Post Graduate Diploma in Management courses is one of the best-suited after-graduation career options for those who have an interest in business, are looking for a career in corporate, or want to start something of their own.

Unlike its counterpart MBA, the PGDM course is more updated and practical-oriented. All the latest development in the business world is reflected in the PGDM curriculum. This course is thought to make an individual job-ready and industry-ready which makes it one of the best career options after graduation. The course duration of PGDM can range from 1 year to 2 years.

3. PGDEMA

PGDEMA stands for Post Graduation Diploma in Event Management and Activation. Opting for PGDEMA can be the start of a great career and present you with high-earning opportunities. Today, with an increased disposal income, people are throwing big functions to stand out in society. This course can be done by any graduate person. PGDEMA is a full-time course of 1 year.

4. MBA

An MBA graduate is regarded as the 'jack of all trades and master of none' that translates to having endless opportunities to explore after doing an MBA. MBA comes in different modules today. However, the most recognized one is the 2-year full-time course. You would need to clear some exams like CAT, GMAT, and others to get into good institutes. The MBA program transforms people into professionals who know how to manage tasks, manage time, and communicate well.

5. M. Tech

M.TECH

MASTER OF TECHNOLOGY

6. Postgraduate Diploma course in Human Resource Management

Candidates who hold the PG diploma in human resource management have a better chance of being employed as a Recruitment Coordinator, HR manager, HR consultant, and Senior HR officer. That is why this one is considered one of the most beneficial career options after graduation.

7. Post Graduation in Hotel Management

PGDHM

POST GRADUATION DIPLOMA IN HOTEL MANAGEMENT

8. Mobile App Development

This would be among the best career options after graduation for those who have an interest in programming and development.

9. Machine Learning

Machine learning and artificial intelligence are predicted to touch almost all sectors of the economy. Having relevant skills in this field will enable you to get many job opportunities with high salary packages.

10. Diploma in Computer Application

PGDCA

POST GRADUATE DIPLOMA IN COMPUTER APPLICATION

11. Chartered Accountant (CA)

If you are a commerce student then chartered accountancy can be a great career option for you. It is a prestigious title and it also has lucrative monetary benefits.

Institute of Chartered Accountants conducts the CA exam. To become a CA one has to pass three examinations namely IPCC, CPT, and CA.

The IPCC has 2 parts. After passing the first section, a person has to apply for an articleship where he/she has to work with a CA for a period of 2.5 years. After the successful completion of both the section of IPCC and the completion of the articleship, the student can sit for the last clearing exam i.e. the final CA exam.

The final CA exam also has two sections. After the successful completion of the two sections of the final CA exam, one can start writing the title CA before his/her name.

The eligibility to appear for the CA exam is graduation along with a work experience of 2.5 years. The total duration to become a CA is 3 years. The salary package of a CA can range from 7-20 lakhs.

12. Stock Broking

Stockbroking is a great career option for a graduate in India who is looking for a challenging and exciting career in his life. The minimum qualification required for this career path is a graduate degree preferably with some experience in any stock broking company.

13. Interior Designing Course

14. Civil Services
