## CAREER TIPS

### Banking Careers

Banks are institutions that are responsible for driving funds into the economy which further leads to the development of the country. Banking has been amongst the sought-after careers for ages, especially in India and still the mindset of the population has not changed. No matter the ongoing changes in the technology and the revolution taking place in the business industry, the only thing that has remained constant over centuries is having a career in the banking sector.

### Benefits for a career in banking:-

- Handsome salaries in India and abroad
- Competitive compensation and pension if you have worked in a government bank.
- Numerous work opportunities
- No limit for promotions
- A perfect sector for highly ambitious individuals and professionals
- Community and public service motive
- One of the important benefits as to why people opt for a career in banking is because of job security.

- Everyone having a basic education in the field of commerce is welcomed as freshers in this sector.
- The banking sectors are the backbone of any economy and hence they are not affected during the recession period in the economy.
- Job satisfaction and overall **skill development**
- A highly regarded/reputed job profile in the eyes of the society
