• **Career Opportunities:**

Career in Yoga:

The word Yoga is a Sanskrit word which means 'union' of body, mind and spirit. This art was practiced In India thousands of years ago. Many physicians now recommend yoga to combat mental health, anxiety, sleeping disorders etc. Yoga as career option has become popular only in the recent past.

Eligibility: Professional qualification in the field of yoga is imparted at both under graduate and post graduate level. For under graduate level, one has to pass 10+2 in any stream from a recognized board. For post graduation programme, minimum qualification is a Bachelors degree in any stream from a recognized university, although philosophy graduates are given preference. Courses are also available at degree/diploma and certificate level.

Major careers in this area are:

Yoga Trainer/ Instructor/ Teacher: If we opt for a career as yoga trainer, we can either work for some organizations like clubs, gyms, fitness centre etc. or be a private tutor and start our own yoga centre. Academic institutions and universities also recruit yoga professionals as teachers.

Yoga Therapist: A yoga therapist tries to cure or control ailments through yoga. We can work as yoga therapist in health centers, resorts etc. There is even scope to start yoga therapy centre of our own and impart therapy to patients.
