Career Information:

TOPIC: CAREER IN INFORMATION TECHNOLOGY

Introduction: Whether you're finding a ride using a mobile application or ordering food online or updating your status on your favorite social-media site, computer technology has become part and parcel in our daily lives.

What are some of my IT educational options?

Diploma Engineering programs are basically 3 years long. Students who have completed 10th are eligible to pursue Diploma Engineering courses.
After completing relevant Diploma program, successful candidates may use Diploma to Degree admission and secure admission into the second academic year of B.E. or B.Tech. program.

- Diploma in Computer Engineering – 3 years
- Diploma in Software Engineering – 3 years
- Diploma in Computer Science and Engineering – 3 years etc.

Admission process: After completing 10th pass , students may apply for Diploma courses in Tripura institute of Technology or in Polytechnic colleges in Tripura. Students are selected according to their marks obtained in 10th standard.

BACHELOR'S DEGREE COURSES

Bachelor of Engineering and Bachelor of Technology programs are 4 years long academic programs. Other Degree courses (like BCA and B.Sc.) are 3 years long. Integrated Engineering programs are 5 years long.
Students who have passed 10+2 with Physics and Mathematics subjects from a recognized board are eligible to pursue these courses. The courses are:
- B.E. or B.Tech. in Computer Science – 4 years
- B.E. or B.Tech. in Computer Engineering – 4 years
- B.E. or B.Tech. in Software Engineering – 4 years
- Etc.

Admission Process:

❖ Through Joint Entrance Examination (JEE)-Main conducted by NTA mainly for admission into National Institutes of Technology (NITs), Indian Institutes of Information Technology (IIITs) and Government Funded Technical Institutes (GFTIs) for BE/B.Tech/ B.Arc/B. Planning. JEE-Advanced conducted for admission into Indian Institutes of Technology (IIT), the top colleges in our Nation.

❖ There is Joint Entrance in every state for admission into Engineering Colleges under the State Governments. For Tripura, Tripura Joint entrance Examination is conducted every year.

❖ For admission into private Engineering colleges, there are entrance exams for every such college. Some of the renowned private Engineering Colleges are (1) Birla Institute of Technology and Science (BITS at Pilani, Rajasthan) (Exam name: BITSAT), (2) Vellore Institute of Technology (VIT) located at Vellore, Tamil Nadu, (Exam Name: VITEEE) (3) SRM University at Chennai (Exam Name: SRMJEE),(4) Manipal Institute of Technology, located at Manipal, Karnataka (Exam Name: MU-OET), (5) RV College of Engineering at Bangalore, Karnataka (Exam Name: KEA, COMEDK, JEE Mains) , (6) MS Ramaiah Institute of Technology at Bangalore, Karnataka (Exam Name: CET Karnataka, COMEDK), (7) KIIT University, Bhubaneswar, (Exam name: KITEE), (8) Hindustan Institute of Technology and Science at Chennai (Exam name: HITSEEE) Etc.

❖ BCA admission process: The Govt. as well as private General Degree colleges offers the course. In Tripura, many colleges under Tripura Central University offer the course. Candidates can apply to their nearest college offering BCA.

CERTIFICATE COURSES:

Certificate/ UG(undergraduate) courses. Students who have passed 10+2 are eligible to pursue this course. Even after Bachelors degree one can pursue Certificate courses which add to their bio-data and may help to get a job in IT companies more easily.
Some of the certificate courses in IT are

• Animation and VFX, Web Designing, Digital Marketing, Graphic Designing, Mobile Application Development, Networking, MS Office certification programme, Certificate Course in ASP.Net, Certificate Course in Core JAVA etc.

• Diploma in Computer Application (DCA)- 1 year course
  How can you go for such courses:
  ➢ Short term certificate courses can be done from National Institute of Electronics & Information Technology (NIELIT) associated with the Ministry of Electronics and Information Technology of the Government of India that offers information technology training at different levels. There is one center of NIELIT at Agartala. For admission into NIELIT, candidates should apply online at the website of NIELIT. The website for NIELIT Agartala is http://nielit.gov.in/agartala
  Job opportunity: There is opportunity of college campus placement at NIELIT.
  ➢ DCA course is offered in many Govt. Degree Colleges.
  ➢ CDAC: The Centre for Development of Advanced Computing (C-DAC) is an Indian autonomous scientific society, operating under the Ministry of Electronics and Information Technology. CDAC provides 6 months formal training programmes that is post graduate diploma programme in subjects like Big Data Analytics, Mobile Computing, Advanced Computing, Artificial Intelligence etc.
  Eligibility: The candidate must have completed graduation or equivalent degree (as B. E / B.Tech / 4 – year BSc Engg / DoEACC B Level / AMIE) in IT / Computer Science / Telecommunications / Electronics / Electrical / Instrumentation, or The candidate must have completed post – graduation or equivalent degree in engineering sciences (as MSc in IT / Computer Science / Electronics)
  Job opportunity: There are campus placement opportunities in good C-DAC centers. In Tripura, centre for C-DAC is located at NIT Agartala.

HIGHER STUDIES

ME (Master of Engineering), MTech (Master of Technology) are professional postgraduate engineering master degree programme awarded to candidates after completion of two years of study in the discipline of engineering.

To get a job in IT farms, Master Degree is not required, but if someone is interested in teaching profession then he/she may pursue Master Degree/PHD. For admission into

ME/M.Tech in good colleges like IIT, NIT, is done through Graduate Aptitude Test in Engineering or GATE Exam. If the seats for ME/M.Tech is not filled up through GATE scored candidates, then every college conduct their own Entrance Examination to fill-up the vacant seats.

After completing ME/M.Tech, candidates can pursue PhD/Post PhD to appear in interviews for the post of Asst. Professor in Govt. Engineering Colleges like IIT/NIT etc.

JOBS IN VARIOUS SECTORS:

- ➢ Job in Private sector
- ➢ Job in Govt. sector

HOW TO GET JOB IN IT SECTOR (PRIVATE):

- College Campus Placement:
- ➢ In most of the Engineering Colleges, various private as well as public sector companies visit to recruit Employees for the companies from the students who are studying in their final year of Engineering.
- Off-Campus placement:
- ➢ Visit the website of the private IT companies, go to the Career section, find out if there are vacancies and apply there. For TCS company, apply at https://nextstem.tcs.com/campus/ . After applying, candidates will be called for written exam (Basic Arithmetic, Reasoning, English, Current events) , thouse who clear the written exam they are called for interview and then get selected.
- ➢ Apply through NCS web-portal/ Naukri.com/ Monster.com etc.
- ➢ Make your Linkedin profile, apply to the job openings.
- ➢ Tests like AMCAT, eLitmus and CoCubes help the companies and the candidates arrive at the right decision related to recruitment. Many companies in India use these test to hire candidates.

JOB IN GOVT. SECTOR:

- ➢ There are various posts related to IT/Computer work in Government Sectors also. In our state, recruitment in Govt. sector is done through competitive exam under Tripura Public Service Commission (TPSC) or through Walk-in-interview.

- ➢ Teaching jobs are available, like PGT (Computer) in Kendriya Vidyalaya, Jawahar Navodaya Vidyalaya etc.
- ➢ Jobs In Public Sector Undertakings (PSU) like IOCL, BSNL etc
- ➢ Central Govt jobs: Jobs at ISRO, DRDO, BARC, NIC, NIELIT, ICERT , C-DAC , Etc.
- ➢ Also you are always free to proceed towards masters and Phd and get into IITS,NITS,IIITS and other central govt educational institutes as assistant professors.

Self Employment opportunities:

There are not many options for self employment in this field but there are still a few good options likes:

- ➢ Software Developer/Software Programmer: You can develop a piece of software and sell it to someone, for example you can develop websites for local small businesses that do not have an online presence yet
- ➢ Open Common Service Centre (CSC): You can open a CSC in your village and provide various online services to the local people. If you are above 18 years old, minimum 10th pass and you have basic knowledge of computer then you can apply for CSC. You should have infrastructure to open CSC like computer, camera, printer etc. One need to apply online for it www.csc.gov.in-> Click on "Interested to become a CSC" on the left side of the page-> Click on Link given " For CSC Registration, Click Here"

- ➢ Computer Repair Service Provider: Computer is a necessity in every workplace. You can provide computer hardware and software related services in various such workplaces or household, or open your store/business for computer repair.
